

Fonix VoiceIn Included in New Delta Force - Black Hawk Down: Team Sabre Video Game from NovaLogic

PS2 game features Fonix voice recognition

SALT LAKE CITY, UT (December 4, 2006) Fonix Speech, Inc., a wholly owned subsidiary of Fonix Corporation (OTC BB: FNIX) specializing in embedded speech interfaces for mobile devices, handheld electronic products, video game systems and processors, announces that NovaLogic, Inc., a global entertainment software developer and publisher, released the PlayStation®2 version of *Delta Force® - Black Hawk Down®: Team Sabre* featuring Fonix VoiceIn™ Game Edition — Fonix's award-winning voice recognition for video games. *Delta Force - Black Hawk Down: Team Sabre* is the second NovaLogic title to ship with Fonix voice technology.

“NovaLogic maintains our commitment to providing players with exciting, cutting-edge gaming experiences,” says Lee Milligan, President of NovaLogic. “Fonix voice recognition adds a fun, realistic component to the *Black Hawk Down* series. Fonix VoiceIn nicely complements our development strategy to immerse players in a multi-sensory experience with real-time, adrenalin-pumping action.”

“Fonix applauds the way NovaLogic uses next-generation technologies to up the ante with their new games,” says Tim K. Hong, VP of Fonix Games. “Their military games are renowned for their intensity and realism, and Fonix voice recognition adds to the excitement and sense of control for players. We are pleased to be featured once again in this prestigious series.”
