

Fonix Reports on Shareholder Conference Call

SALT LAKE CITY, UT (April 11, 2007) Fonix Corporation (OTC BB: FNIX), specializing in embedded speech interfaces for mobile devices, handheld electronic products, video game systems and processors, reports the results of today's shareholder conference call.

Fonix management discussed:

Company Overview

- Through its wholly owned subsidiary, Fonix Speech, Inc., the Company licenses embedded speech technologies to original equipment manufacturers (OEMs).
- Fonix Speech's core technologies include automatic speech recognition (ASR), text-to-speech (TTS) and voice compression (VC).

Market Opportunities

- Fonix Speech customers sell speech-enabled products in three primary markets: electronic dictionaries, video game consoles and mobile phones.
- E.dictionaries – ASR, TTS and VC available to handheld dictionary OEMs; number of OEMs with models in the market increasing; markets expanding to include Japan, China, Korea, Middle East and Europe; Fonix Speech receives NRE fees and unit royalties.
- Video game consoles – Fonix speech technologies available for five gaming platforms (Xbox, Xbox 360, PlayStation2, PlayStation3 and PC); 20 retail games available featuring Fonix speech; Fonix Speech receives licensing fees for games (per game, per platform).
- Mobile phones – Fonix speech-enabled dialing solutions available for Windows Mobile Smartphones and PocketPCs; add-on software available from Internet retailers; bundled solutions now available for OEMs; Fonix Speech receives unit royalties.

2007 Outlook

- Yearly revenue for Fonix Speech, Inc. expected to increase 1.5Xs over 2006 based on current OEM contracts with products now shipping.
- Company will manage current operations with recently acquired financing combined with revenue growth from product sales.
- Operating costs have been reduced.

“During today’s shareholder conference call, Fonix management endeavored to explain Fonix Speech’s current market position and business strategy going forward,” says Thomas A. Murdock, Fonix Chairman and CEO. “We remain optimistic about future market opportunities based on the manufacturing relationships we have developed over the past 24 months. The results of this work are evident in the number of new Fonix speech-enabled products entering the market this year.”
