**About Fonix**

Founded in 2006, Fonix provides mobile payments and messaging services for clients across media, telecoms, entertainment, enterprise and commerce.

When consumers make payments, they are charged to their mobile phone bill. This service can be used for ticketing, content, cash deposits and donations. Fonix's service works by charging digital payments to the mobile phone bill, either via carrier billing or SMS billing. Fonix also offers messaging solutions.

Based in London, Fonix is a fast growth business driven by blue chip clients such as ITV, Bauer Media, BT, Global Media, Comic Relief and Children in Need to name a few.
